Each cast member will need:

Ben Nye Makeup Kit

(If you already have one, that will do for this show)

Small Kit (~\$20)

Fair: Lights
Fair: Light/Med
Fair: Tan
Olive: Fair/Med
Olive: Deep
Brown: Light
Brown: Dark

Large Kit (~\$55)

White Skintones
Olive Skintones
Brown Skintones

- **NOT Daily Makeup.....specially formulated by Ben Nye for resistance to the heat of stage lighting.**
- If not sure which tone, default to slightly darker, rather than slightly lighter than skin tone.
- Lasts for years. I purchased the large kit 6 years ago for Anne, and are still running strong, 10 shows later – we’ve only replaced the foundation cream.

We will be placing a bulk order with Best Magic at their request.

Use the order form below & return to Betty by October 20.

Items not included, but required:

Mascara (avoid sharing!!)
Q-Tips & Cotton pads/balls
Makeup Remover (Trader Joe’s makeup remover sheets works great!)

You may also wish to provide:

Lipstick in mauves, pinks (girls) and brown(boys) tones. (kit comes with lip color, but not in tubes)
Extra foam applicators
Colored eye powders/creams in brown/cream tones
Large powder/blush brush

NOTE: ABSOLUTELY NO GLITTER FOR THIS SHOW!!!

All makeup will be natural. Everyone must wear foundation & mascara, so your eyes/expression show up under the lights – yes, this includes boys!. We will be going over makeup during tech week.
